

Client Testimonials

"My experience with Larkin Aquatics has been a positive and productive relationship. Their staff is excellent to work with, concerned with providing the best possible end product and efficient in handling any situation that came up. Their follow-up, even after the season was over, continues to be impressive. The design is well thought out and very user friendly for both the swimmer and the operator. Any issues concerning equipment, its operation, start up and closing procedures were dealt with in a timely and professional manner. I give Larkin Aquatics a very high recommendation for any project you might see in your future."

**Janet Ellerbrock, Aquatics Supervisor
North Liberty Recreation Center
North Liberty, Iowa**

"A sincere thank you for everything you have done to turn Algona's dream into reality. What a wonderful facility we have thanks to you and Larkin Aquatics. We have exceeded even our highest expectations. We continue to get rave reviews from people from all over Iowa and beyond."

***Peg Bell, Director
Algona Parks & Recreation
Algona, Iowa***

Client Testimonials

“We were averaging only 75 visitors per day at our current pool and a town 20 miles away was at capacity every summer day. The decision to go with a new, state of the art facility with all the amenities we could afford has been a tremendous asset to our economic development. It was, and is a major investment in our quality of life for our people. I also feel that it says a lot about our community; ‘a look what we have for our people’. Not only are we providing a safe and fun environment for all of our people of all ages and abilities; we are drawing in patrons from other cities.”

*Kerry Sampson, City Administrator
Trenton, Missouri*

“The citizens of De Soto had a big dream to build a new aquatics facility. Larkin Aquatics has provided that dream every step of the way - from design through construction.

We have enjoyed our relationship with Larkin Aquatics.”

*Dave Anderson, Mayor
De Soto, Kansas*

Client Testimonials

"Without a doubt, the reason we had a 76% pass rate of our bond issue, was the time and effort we, along with the staff at Larkin Aquatics, put into educating and informing our citizens about every aspect of our pool endeavor. From the initial site and design selections, we were able to paint a picture of what our dream may be. From the questionnaires to a video for the Fall Festival, our pool committee did a great job of getting the message out; we worked very hard. We appreciated the way the Larkin Aquatics staff worked with us every step of the way. We have thoroughly enjoyed being teammates in this great opportunity for our city."

*Dave Larcom, City Administrator
Garden City, Missouri*
